**AFA Mission Statement:**

The purpose of the Arizona Falconers Association is to provide communication and interaction among interested members; to promote the ethical and legal pursuit of falconry as a recognized field sport; to promote the use of sound biological principles and information in the management of raptor populations and falconry; and to encourage programs of public education, scientific study and habitat conservation which advance the welfare of falconry and birds of prey.

As a member of the Arizona Falconers Association I hereby pledge to support its mission and to abide by wildlife laws of the State of Arizona.
